

HYBRID POWER

E-765 OPTIMUM

photo: Fabien Boukja - Activ'images

LOOK has created this masterful E-765 OPTIMUM, integrated with a FAZUA motor. The benefits allow the rider to experience a more leisurely ride, instead of the challenges of a more competitive journey. Only slightly heavier than a traditional road bike and manufactured in our own production facilities, the E-765 will fit your needs. Discover it on lookcycle.com
